

675SR-R

A New Era of Performance.

Introducing the CFMOTO 675SR-R – a next-generation supersport engineered for riders who demand exceptional performance, cutting-edge technology, and aggressive styling. With its all-new 675cc triple-cylinder engine, precision-tuned chassis, and premium race-inspired components, the 675SR-R sets a new benchmark in the mid-capacity sportbike category.
